Border 3. Approx 1 yard or metre

Papers(if using)

1/2 hexagons

1 1/4 ins LONG (45*) diamonds

Small number of 1 1/4 ins regular diamonds, 3/4 ins hexagons or any other paper pieces you have to hand.

No large pieces of fabric are required for this scrap quilt. I chose a large floral for my vase, a pretty square of "picture" fabric and a bird for the top of the flowers in the centre.

The strips for the scalloped border in the centre are approx 8 ins long and all cut on the bias.

Make sure your collection includes some spots, stripes and geometrics as well as favourite florals
